

International Programs

2000: 8 sites in 6 countries

2011: More than 5,400 sites in 15 countries

The Elizabeth Glaser Pediatric AIDS Foundation is a global leader in the effort to eliminate pediatric HIV and AIDS, working in 15 countries and at more than 5,400 sites around the world to prevent the transmission of HIV to children, and to help those already infected. The Foundation's global mission is to implement prevention, care, and treatment; further advance innovative research; and to execute strategic and targeted global advocacy activities to bring dramatic change to the lives of millions of women, children, and families worldwide.
